Please delete the questions (do not repeat) in the letter. You can just name the numbers, that would do it.

I can delete the attached letter you just emailed to me.

Thank you Tita for the request.

We will follow up this request. It looks that you are requesting 18 questions in the December 15, 2016 letter as a CBI.

Since you are reciting the questions here, are you also plan to claim this December 20, 2016 request letter also as a CBI?

Jae

Thank you Tita.

You can specify the question numbers and a short description of each suggested question why it could be a CBI.

It is a rare event that we treat our own letter as a CBI.

We need to review your claim to make a proper decision.

Jae
